SUMMARY

"As a dedicated undergraduate student with a passion for technology and a solid foundation in programming languages such as HTML, CSS, JavaScript, and C, I am eager to embark on a career in the tech industry. My academic coursework has equipped me with the fundamental skills and problem-solving abilities required to excel in web development and software engineering. I am highly motivated to gain practical experience and contribute to innovative projects, making the most of my technical knowledge and my enthusiasm for learning and growth."
